**Тема:** Re: exclusive SMART™ monitoring system

Hi Yuriy,

MWD Planet is a customer of ours. They purchase our product for years now on a regular basis and we have not reason to believe that they manufacture batteries.

Eric

Hi Yuriy,

With regards to the letter you sent, please see my response:

1. Is it true that Innova is the exclusive developer and manufacturer of SMART monitoring system, which used in Battery packs Tensor QDT 29V 150C, 150DegC Shock & Vib SMART4 L2 Battery?

[Yes, As far as we are aware, no other battery manufacture make a battery with the SMART4 L2 battery logger.](#)

2. Can the MWDPlanet produces Battery packs Tensor QDT 29V 150C with SMART4, Part Number 01-02EMC-F5L2?

[No, MWD Planet does not manufacture this battery and as far as we know they do not have the capability to.](#)

3. Did Innova give permission to MWDPlanet for manufacture Tensor QDT 29V, 150DegC Shock& Vib SMART4 L2 Battery?

No Innova did not give MWD Planet permission to manufacture the battery.  
Innova did give MWD Planet permission to resell Innova battery products under the Innova Power Solutions brand name.

4. Has Innova patented of SMART Depassivator and Load Tester Interface Box with Depas Logger Cable, Tensor Kintec, its parts or Software?

No.

5. Is Part Numbers unique 01-02EMC-F5L2, 12-111, 13-200 and can be used exclusively by Innova?

As far as we know the 01-02EMC-F5L2, 12-111, 13-200 part numbers are unique to Innova. These are part numbers that we created for our product.

Regards,  
Eric
