To Whom This May Concern:

This purpose of this letter is to bring up our serious concern regarding Tender 18T-481 - Spare Parts for IRI Rigs held by Ukrainian State Company "UkrGasvydobuvannya".

Our Company prepared a quote under this Tender and was to be a supplier of these parts. Recently we found out the Tender results available to the public at the following website https://zakupki.prom.ua/gov/tenders/UA-2018-06-22-001064-a?utm_medium=ugv.com.ua&utm_source=widget_gov

We were very surprised to see how the price was for the Total Lot. Please be assured that the complete set of these parts could be delivered by our Representatives at the price of \$4,200,000.00 US Dollars on CIP Poltava, Ukraine Terms

We hope that your Company will be interested in saving almost \$1,000,000.00 US Dollars by reevaluating the decision.

We are ready to cooperate with all parties concerned!

Very Best Regards,
Martin Moylan
