AUTHORIZATION LETTER

December 20, 2022

Tender Name : Pumps and compressors (Spare parts for the ARROW engine) Ukraine
Tender No. : PGV 22T-071_DK 021:2015 - 42120000-6
Power-Flow : PFI-15432-SR6 (or current revision)

To whom it may concern:

As an Authorized Export Distributor for Arrow Engine Company we are authorized to set-up regional agents to promote and sell production equipment and its related supporting products for Arrow Engines Company.

We do hereby acknowledge Scientific & Production Company "UKR-LAND" as the exclusive representative for sales of the Arrow C-106 parts to "UkrGasvydobuvannya" JSC and "Naftogaz of Ukraine" for this specific project. Particularly, the referenced Power-Flow quotation list of spare parts for Arrow model C-106 natural gas engine.

Any other offers for this equipment is not authorized by Arrow Engine company and will not be supported.

This support shall remain effective in the event that Power-Flow International or their representative is awarded the above specified tender or until project is completed or cancelled.

Should you have any question, please do contact us.

Yours faithfully,

A handwritten signature in blue ink, appearing to read "Kevin Strabala".

Kevin Strabala, Vice-President
Power-Flow International
