SUPPORT LETTER

JANUARY 6, 2023

Tender Name : Pumps and compressors (Spare parts for the ARROW engine) Ukraine
Tender No. : PGV 22T-071_DK 021:2015 - 42120000-6
Power-Flow : PFI-15432-SR6 (or current revision)

To : Ukrgasvydobuvannya" JSC and "Naftogaz of Ukraine"

As an Authorized Export Distributor for Arrow Engine Company we are authorized to promote and sell production equipment and its related products for Arrow Engines Company. This equipment includes their natural gas engines and parts for model C-106.

Scientific & Production Company "UKR-LAND" is our exclusive representative for sales of the Arrow C-106 parts "for this specific project. Particularly, the referenced Power-Flow quotation list of spare parts for Arrow model C-106 natural gas engine.

Any other offers for this equipment are not authorized by Arrow Engine company and will not be supported. This includes requests from:

- PROMINASTAL PE
- ENERGOSPECMETAL LLC
- GAZSURF LLC
- TRADING HOUSE FACTORY TECHNOVEK

This support shall remain effective in the event that Power-Flow International or "URK-LAND" is awarded the above specified tender or until project is completed or cancelled.

Should you have any question, please do contact us.

Yours faithfully,

A handwritten signature in blue ink, appearing to read "Kevin Strabala".

Kevin Strabala, Vice-President
Power-Flow International
